The Outseer Intelligent Platform™

Comprehensive fraud protection across the digital journey

The Outseer Intelligent Platform™ enables our customers to provide comprehensive fraud protection across the digital journey. Outseer customers benefit from streamlined fraud operations and lower fraud losses all while maintaining the user experience. Better fraud detection also leads to higher transaction authorization rates, which in turn drives increased revenue and profitable growth.

At the core of the platform is the Outseer Risk Engine™, built for precision detection, utilizing the most effective signals to detect and prevent fraudulent activity. Our predictive algorithms work in real-time to analyze hundreds of signals coming from the Outseer Global Data Network™, our Partners, and our Customers.

Designed to help fight fraud as a community, **Outseer's Global Data Network™** gathers transaction signals spanning thousands of companies across numerous industries worldwide to drive decisions that protect your customers, enabling them to interact and transact seamlessly.
