

OUTSEER

An RSA Company

Why Outseer?

Outseer empowers the digital economy to grow by authenticating billions of transactions annually. Our payment and account monitoring solutions increase revenue and reduce customer friction for card issuing banks, payment processors, and merchants worldwide. Leveraging 20 billion annual transactions from 6,000 global institutions contributing to the Outseer Data Network, our identity-based science delivers the highest fraud detection rates and lowest customer intervention in the industry.

About Our Solutions

Outseer Fraud Manager™

protects customers across all digital channels with risk-based account monitoring decisions

(formerly RSA Adaptive Authentication)

Outseer 3-D Secure™

the gold protocol in card-not-present and digital payments authentication mapping to the latest EMV® 3-D Secure protocol

(formerly RSA Adaptive Authentication for eCommerce)

Outseer FraudAction™

delivers rapid detection, takedown, and data insights related to phishing sites, rogue apps, and fraudulent social media pages

(formerly RSA FraudAction)

Together, these award-winning offerings serve as the benchmark for payments authentication, detecting account compromise fraud, and fraud investigations while upholding friction-free customer experiences for the world's leading merchants, issuing banks, and payment providers.

Underlying the Outseer product portfolio are two deep investments in data and science:

Outseer Global Data Network™

The industry's first global consortium of verified fraud and transaction data

(formerly eFraudNetwork)

Outseer Risk Engine™

Identity-centric risk graph delivering 95% fraud detection rates with an intervention rate of 5%
