

About Outseer

Outseer empowers the digital economy to grow by authenticating billions of transactions annually.

Built on decades of science-driven innovation, Outseer is a global leader in anti-fraud and payments authentication solutions. With more than 20 billion transactions processed each year, our solutions help increase revenue and drive secure growth for financial institutions, processors and other financial services providers worldwide.

Outseer Intelligent Platform™

The **Outseer Intelligent Platform™** is a comprehensive, bank-grade platform that enables our customers to provide comprehensive fraud protection across the digital journey. Outseer customers benefit from streamlined fraud operations and lower fraud losses all while maintaining the user experience.

At the core of the platform is the **Outseer Risk Engine™**, built for precision detection, utilizing the most effective signals to detect and prevent fraudulent activity. Our predictive algorithms work in real-time to analyze hundreds of signals coming from the Outseer Global Data Network™, our Partners, and our Customers.

The **Outseer Global Data Network™** gathers data from transactions spanning thousands of companies in numerous industries around the world to drive decisions that protect your customers while enabling them to interact and transact seamlessly.
